D.No. 8543/61 Dt.16-9-61.

Letter No.B3.163-GFL-377/61-62 Dt. 12-9-61 from the C.C.F.

P.U.D. is for perusal. C.C.F. has sent a copy of C.F., Belgaum's letter along with its enclosures and has stated that the Karnatak Ayurved Vidya Peetha, Belgaum has applied for grant of forest land in place of the one already granted on temporary lease in the year 1956 as per Bombay G.O. Dt. 20-10-1956 and since surrendered back to the Deptt., for the reason that it is not suitable for planting herbs. C.C.F. also stated that the Institute has selected 20 acres which contains 202 Jungle-wood trees and 5 teak trees yielding firewood worth Rs.169/- and 36 sandalwood trees. It is also reported that the Society is running a full-fledged College at Khasabag, Belgaum conducting both Diploma and Degree courses in Ayurveda and that the Institute is in need of the land referred to above.

2. In view of this, C.C.F. has recommended for the grant of 20 Acres of land out of S.No.11 of Block XXXIX of Kakti Range in favour of the Karnatak Ayurved Vidya Peetha, Khasabag, Belgaum for growing medicinal herbs on TEMPORARY LEASE for a period of 3 years in the first instance subject to the same terms and conditions under which the original area was granted to them as per the Bombay G.O. Dt. 20-10-1956. He requests orders of Government. Before we agree, this

this may be referred to R.D. for remarks.

3) The Karnatak Ayurved Vidya Peetha, Belgaum was granted by the now defunct Government of Bombay in October 1956 20 acres of land out of coupe No.22 Block No.I of the Working Plan of Shahapur Fuel Reserves on temporary lease for a period of 3 years on the conditions mentioned in paragraph 2 of the Conservator of Forests endorsement attached to the said Govt. Order vide page 7 c.f. The Vidya Peetha has now requested Government for grant of some other forest land in place of the one already granted by the now defunct Government of Bombay under their G.O. of 20th October 1956 which has since been surrendered to the Forest Department on the ground that the area is not suitable for planting herbs. The area of 20 acres now selected by the Institute is reported to contain trees yielding firewood worth Rs.169/- and also 36 sandalwood trees. In the circumstances, reported by the C.D.F. we may agree with the proposal for grant of 20 acres out of S.No.11 in Block No.39 of Kakti Range in favour of the Karnatak Ayurveda Vidya Peetha for growing medicinal herbs on temporary lease for a period of 3 years subject to the terms and conditions as are stipulated by the now defunct Government of Bombay in their order of 20th October 1956. Since this is the release by the Forest Department of forest lands, a reference to the R.D. is not necessary. Since the Vidya Peetha will have no proprietory rights over the area assigned to them, the question of

(4)

fixing up any price for land ~~rent~~ will not arise. A reference to F.D. will also, therefore, not be necessary. If approved, the proposal of the C.C.F. may be sanctioned. Assessment will have to be collected as proposed by the Conservator working no concession.

To

The Chief Conservator of Forests

Sir,

Subject:-Grant of forest land for cultivation of medicinal herbs.
Karnatak Ayurved Vidya Peeth, Khasbag, Belgaum.

I submit herewith Divisional Forest Officer, Belgaum's No.FOP/GFL/700/158(60-61)61-62 of 14-6-1961, in duplicate, together with its accompaniments, and state that the General Secretary of the above mentioned Institute has requested for grant of forest land in place of the one already granted on temporary lease in 1956 and since surrendered. The area granted has been proved to be unsuitable for planting herbs, due to want of sufficient water facilities. It is also reported that the herbal plants raised in the plot, were subjected to damage from the cattle belonging to Berads who are residing nearby. The Institute has selected an alternate plot and the D.F.O., recommends grant of 20 acres in the first instance. I agree with the D.F.O. and request you to kindly obtain Government sanction to release 20 acres of forest area on temporary lease for a period of 3 years in the first instance. If the tree growth now standing in the area becomes hindrance to the

(P.T.O)

planting of herbs, then the same will be disposed. of.
